# how do you describe east franklinton?

## what makes east franklinton authentic?

Vacant Space: Should be Retained to some Level Such that Green spaces can be Permanately kept even when the Areas becomes Re Populated. It is a Community asset to Retain Green Spaces indefinitly. Additionally, these Spaces Should be Focused on more ~~than~~ heavily with City Resources to better Improve them/Maintain green-spaces

The residents ~~[illegible]~~ who are genuine → seconded!
and carry themselves in a way which is unpretentious, which is not the case for most columbus neighborhoods

urban food production/gardens

Utilize local artists/workers in production process
